Where legislation does not require an Examination Certificate, no certificate number is listed. In applicable cases, testing is completed using suitable resources, such as a third-party test house. These test reports and pass results support the presumption of conformity to the relevant legislation, where appropriate.

This documentation is only valid when the applicable product is installed and operated according to the supplied instructions.

**Issued:**
14-07-2023
Stonehouse, UK

**Prepared by:**
Brenton Jones
Certification Engineer

**Approved by:**
Diana Tobin
Quality Manager
