

Stanilite®

Platinum exit LED evago Nexus® ceiling mount

Range

Platinum range

Product group

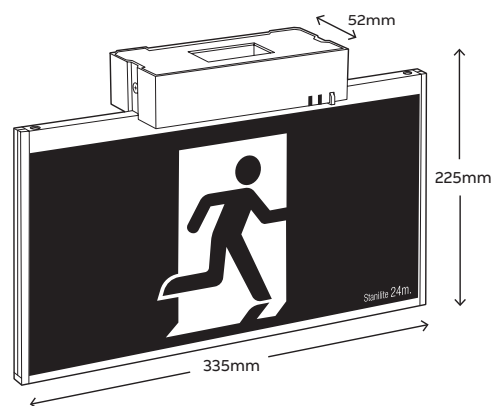

Exit LED evago

Features

- LED technology 100,000 hours plus lamp life
- Low power consumption and LED light source for reduced operation and maintenance costs
- Advanced charging technology combined with Lithium iron phosphate battery for long life and low maintenance
- Nexus monitored, wireless
- RF frequency range 920 - 925 MHz
- Bright and uniform exit face luminance
- Architecturally pleasing frameless slim line design
- First-fix plate for quick and easy installation and maintenance
- 24m viewing distance
- Surface mounting (requires space behind the ceiling for Nexus RF communication module and antenna)
- Product comes standard with running man pictograph straight. Other pictograph diffuser options (arrow left/right) can be ordered separately - see accessories
- 0.5m and 1m rod suspension kit available as a standard option
- 1.5m and 3m wire suspension kit available as a standard option
