

LIFECYCLE MANAGEMENT INFORMATION

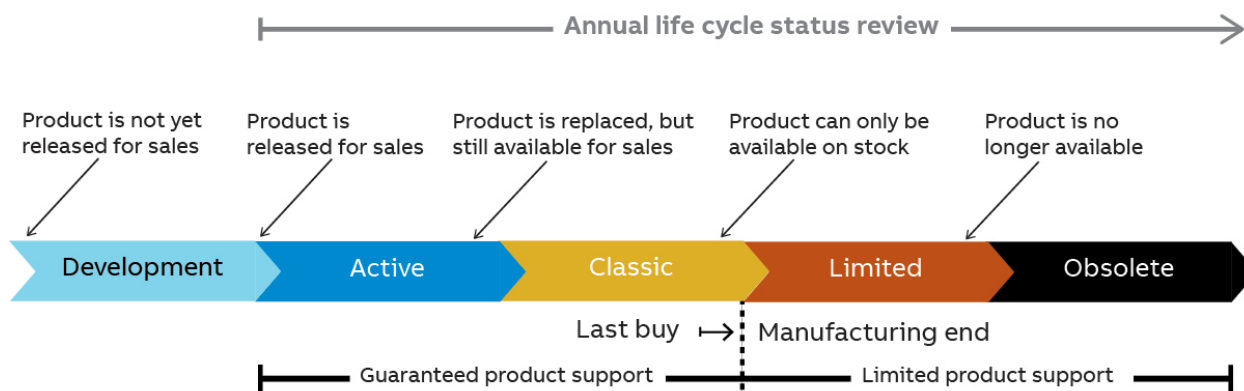

# Electrification – Smart Power business line

## GPG: Power protection - RPP

### Life Cycle Announcement: Start of Limited phase Cyberex RPP, EDS products

#### Lifecycle status change

Life cycle phase status for Cyberex RPP and EDS products will be changed to **Limited Phase starting from 2021-08-31**.

The Limited status means the product will be no longer available for sales but the service for the installed base is guaranteed with some limitations.

There is no replacement product available at this time. Development for replacement product is in progress.

For further information on the replacement product please contact your local regional sales manager, technical support or the related product manager.

## LCM Information

Item	Start date
Start of Limited phase	2021-08-31 (YYYY/MM/DD)
Start of Obsolete phase	TBD

Life Cycle status in ABB Products and ERP System will be updated accordingly.

## Planned Product Lifecycle for involved codes

Range description	2020			2021		
	Q2	Q3	Q4	Q1	Q2	Q3
Cyberex RPP Cyberex EDS	A	A	A	C	L	L
