# ABB upgrades electrical infrastructure of Shanghai's Hongkou Football Stadium

## APPLICATION

Major sports stadium

## COUNTRY / CUSTOMER / SITE

China / Hongkou football stadium / Shanghai

## CUSTOMER NEEDS

Electrical upgrades to China's first ever football stadium to provide a stable power supply and continuity of service. ABB ensured the shops and facilities servicing the many sports fans and businesses visiting and using the stadium before the start of the football season

## SOLUTION

- ABB recommended targeted upgrades
- Four standard Emax E2.2 and 15 advanced Emax 2 breakers installed using a direct retrofitting kit
- Future-proof solution
