

Garbagnate Monastero, 08/01/2014

Declaration of manufacturer

With reference to the EU Directive 2011/65/UE on Restriction of Hazardous Substances (RoHS), the position of ABB Automation & Distribution Board is hereafter stated:

even if the above mentioned the RoHS Directive does not apply to our products because they are not falling in any of the categories listed in Appendix 1A of the WEEE Directive 2011/65/UE (consumer products), ABB Automation & Distribution Board is committed to make its products RoHS-compliant, in harmony with ABB Group's sustainability policy and to meet the needs of its customers, since these products may become parts of an equipment within the scope of the Directive.

Products and processes were analyzed to identify the uses of the substances subject to restriction according to the RoHS directive. Specific projects are running, aimed to find, test and validate alternative RoHS compliant solutions.
