

TECHNICAL DATA SHEET

Mechanical screen wire lug

for earthing of cable screen and armour

Features & benefits

- Bolt heads shears off at the correct torque thus reducing human error
- Leaves a smooth finish, no sharp edges
- Simplified installation, no special tool necessary
- Increased clamping area results in a tighter, more secure connection
- Pre-lubricated bolts
- Quick to install thus saves time and resources
- Used for earthing of cable screen and armour in medium voltage

Material

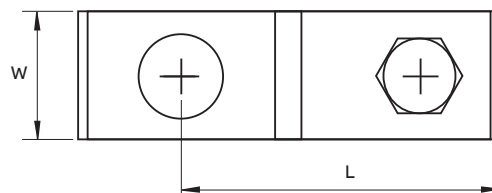

- Body and bolts: Brass
- Surface: Tin plated
